GREETINGS FROM OUR PRESIDENT

Now that spring is here and summer is nigh, we hope to get started once again on our programs to copy Morrow County cemetery inscriptions. We want as many of you that can to join in the completion of this task.

We are planning to publish the inscriptions by townships. A committee consisting of Mary Caskey, Ruth Gram, Barbara Jolley, and Daniel Rhodebeck is already at work preparing to publish the inscriptions for the northern half of the county, which was completed last year.

The program committee, Harold Baughman, Ruth Gram, and Coriel Rauch planned a complete program for the year.

Winton P. Arnold, Mary Murphy, and Marguerite Davis are in charge of the task of preparing a list of qualifications for persons wishing to be eligible members of the newly-formed FIRST FAMILIES OF MORROW COUNTY, for ancestors proven to be residents of the county by 1850.

The shelves in the "Genealogical Alcove" of the Mount Gilead Public Library are reserved especially for resource material pertaining to Morrow County history. We need all the help you can give us to fill this space. A number of our members living in other states have sent letters which we have read to our group. This proved to be helpful to them as well as to us. We want to encourage others of you to do the same.

We are happy to announce that our own Vice President, Winton P. Arnold, is a candidate for trustee of the Ohio Genealogical Society.

The cooperation and willingness to work, shown by all of you last year, gives us a hope for greater accomplishments in 1985.

George S. Morgan

NEW SOCIETY FORMED IN A "PARENT COUNTY" OF MORROW

The Ohio Genealogical Society has announced the formation of a new Chapter in Delaware County. Their address is P. O. Box 317, Delaware OH 43015. The Chapter meets the second Tuesday of every month (except December) at the Delaware County Historical Society in Delaware, at 7:30 p.m. Membership dues are \$5.00 single; or \$7.00 for a joint membership.

As students of Morrow County history should be aware, Delaware was one of the four counties which surrendered land to form our county in 1848. That land includes the entirety of the following Morrow townships:

BENNINGTON

HARMONY

LINCOLN

PERU

WESTFIELD

plus the areas of CARDINGTON and GILEAD townships which lie south of the Greenville Treaty Line. The Delaware County courthouse contains records pertaining to this southwest portion of Morrow County for the years from 1808 to 1848.

PUBLIC LIBRARY PURCHASES READER

On 6 March 1985 the Board of Trustees of the Mount Gilead Free Public Library voted to purchase a DUKANE MDP microfilm reader. MDP stands for manual, direct-projection. "Manual" means the film is advanced or rewound by means of a hand-operated crank. Thus, without a motor, the machine is easy to operate and maintain, and prevents excess strain on the films. "Direct Projection" means the image is projected upon a horizontal screen, slightly slanted to duplicate a comfortable book-reading angle. This reader will accept 35mm and 16mm roll film, as well as aperture cards. The 13x to 23x zoom lens provides a sharp image; no cooling fan is required, so there is no noise.

Our local members were given a chance to use the reader during a short trial period (with borrowed film), and found the machine easy to load and operate. A complete set of U.S. Census films for Morrow Co. (1850-1910) has been ordered. To replace the 1890 Census, destroyed by fire (as with most counties of the U.S.) a Census of Union War Veterans & Widows for 1890 has also been ordered. Records in the Probate Court (births, deaths, early wills & estates, etc.) were filmed by the Mormans in 1965, and these may also be available for us. The county historical society will buy Morrow newspapers on film from the Ohio Historical Society.

CORRECTION!!!! Contrary to what was printed on Page One of this issue, the Delaware County Chapter of the Ohio Genealogical Society meets on the second THURSDAY of each month. Our source of information for the article, the OGS monthly Newsletter, printed its correction between the time the announcement was written, and the time that this page went to press.

A NEW TITLE?

Speaking of newsletters, there are rumblings among our local members for a more mellifluous and euphonic appellation for our own humble publication. Any and all suggestions for a more distinctive title will be entertained.

QUILT

Through the generosity of two of our members, the balance in our treasury has taken a great leap upward. Mrs. Faye D. Sherer, of Escondido, California donated an old quilt, to be used or disposed of as we saw fit. It's a beautiful wool quilt with a painted-flower design. According to Mrs. Sherer, it was made in Adams County, Ohio in the 1870's. With no real use for the quilt, we voted to sell it for the best price, and we began to seek out experts who could advise us on its approximate worth. But before we could proceed very far another of our members, Janet Murphy (a talented quilter in her own right, made us a magnanimous offer that we could not refuse.

Included with this issue is our 1985 Membership Directory, the first total listing in several years. It contains the names and addresses of 82 members, with nearly 900 surnames registered. We realize that the finished product is not 100% perfect, so any additions and corrections to this Directory are most welcome, and will be included in future issues.

We would like to remember with fondness and respect those Morrow County Genealogical Society members who have passed away during the nine years of our organization's existence:

- Robert Barton Mount Gilead
- Robert Gattshall Mount Gilead
